half and quarter marathon on Sunday, May 27 (Memorial Day weekend) in downtown Madison. May 26-27 is the Madison Marathon Expo where runners pick up their race packets and visit exhibit booths. We are in need of volunteers to help at the expo Friday and Saturday and at the start line, finish line and on the course on race day. Group opportunities available.

WHEN REGISTERING OTHERS TO WORK WITH YOU Please note that each volunteer must agree to a waiver upon registering. For this reason, we ask that volunteers do not register non-family members as family members on their account. Others wishing to volunteer with you must register themselves.

The links to your left will provide you with the information you need to become a volunteer.

If you are already a registered volunteer, please login!

Notes:

After you have registered you will get an email with a link in it that you will need to click to confirm your account. You will not be able to use the above login until you have done that.

Also if you have not logged in before and create a new account there are a couple of extra steps you will need to do that I couldn't document here since I already had an account.

Once logged in you will see a welcome back screen like the one below.
